

Nannapaneni Akshaj

Professional Title

I am pre-final year Information Technology Engineering undergraduate student at Vellore Institute of Technology, Vellore. My main interest is in Web Technologies. For the past year I have also been working as a Fundraising Volunteer for MAD (Make A Difference) and I'm currently Finance and Operations Head of a well reputed club at my institute and Campus Ambassador of TribeVibe Entertainment Pvt. Ltd. During my engineering years I have developed a great interest of programming and am currently working to enhance it. I am passionate about web development and spending my days to pursue it as a career. Also, I am excited to learn and quickly adapt to any environment. So, right now, I'm looking for exciting opportunities in the same area.

EXPERIENCE

Fundraising Volunteer

Make A Difference

Vellore, India

Make A Difference (MAD) is an Indian non-profit organisation, working to ensure better outcomes for children in orphanages and shelters across India. Make a Difference works with nearly 3460 children in 67 shelter homes across 23 cities in India, delivering impact through a fellow-managed volunteering model of 4,250 young participants. It is currently run by Jithin C Nedumala.

Trainee

Bhilai Steel Plant

06/2020 - 07/2020

Bhilai

Bhilai steel Plant is a steel company under the Steel Authority of India Ltd. The Bhilai Steel Plant (BSP), located in Bhilai, in the Indian state of Chhattisgarh, is India's first and main producer of steel rails, as well as a major producer of wide steel plates and other steel products. The plant also produces steel and markets various chemical by-products from its coke ovens and coal chemical plant. It was set up with the help of the USSR in 1955.

PERSONAL PROJECTS

College Diaries

- This is a website for sharing the best and the most wonderful college experiences of the students. This is a different as there is enhanced data security achieved through multilingual salting and hashing of the authentication credentials. Moreover, there no such web application with the sole focus on college-life blogging.
